Each greeter has been assigned a particular entrance. Please try to be at your entrance at least 15 minutes before Mass is to begin. You may take your seats when you hear the bells in the tower ring.

The 4:00 Saturday Mass will only have greeters at two entrances since only 8 people signed up.

The 11:00 Sunday Mass will actually have two greeters at the main entrance to the church instead of one since 14 people signed up for this Mass.

You will be given a list of all the greeters with telephone numbers next month so you may contact a substitute if you cannot fulfill your ministry on the assigned day. In the meantime, if you cannot make your day, please notify Bill Girardi at 724-295-4783 or the office at 724-295-2281.
